Cupps Industrial Supply

A Division of XMEK

Cupps Industrial Supply, founded in 1976, is a manufacturer and distributor of standard and custom gaskets, seals, converted products, and precision-machined components. At Cupps, **customers come first.**

We partner with our customers from concept to completion, offering product design support, material selection, rapid prototyping, custom packaging, and supply chain solutions including VMI and stocking programs. Our manufacturing culture is built on 5S, Lean Manufacturing, and Continuous Improvement, supported by ISO 9001:2015 and AS9100D certifications and ITAR registration.
